

**General sales and payment conditions for the renting of  
holiday houses / apartments at Jardín de Aridane / El Paso**

- 1) The rental contract is established when JARDIN DE ARIDANE (hereafter called *renter*) receives the reservation form (see our website [www.jardin-lapalma.de](http://www.jardin-lapalma.de)) or – in exceptional cases - by telephone reservation by the renting party. Shortly after receipt of the reservation, the renting party receives a reservation confirmation from the renter via e-mail.  
As from this date, and as stipulated in the confirmation, the renting party has 10 days to take care of the payment as follows:
  - \* reservations > 7 nights: 20% deposit
  - \* reservations < 8 nights: total amount(100%).Only upon receipt of above mentioned payment, the reservation is obliging for both parties.  
With reservations > 7 overnight stays, the balance (80%) is due latest 56 days (8 weeks) before the beginning of the rental period.  
All these payments can be done either by bank transfer or via PayPal.
- 2) It is basically not permitted to sub-let the rental contract to third parties.  
If the customer rents for another person, both parties involved will be held liable for the total contract.
- 3) The selected accommodation may be used only by the number of persons as stated in the contract. For any additional (non explicitly agreed upon) person, the renter - regardless of his right on immediate termination of the contract - is entitled to require an additional and adequate reimbursement for the period of this excess usage. All “excess persons” will have to immediately leave the object.
- 4) The renting party, as well as his fellow people, accept the obligation to treat the accommodation *devotedly* and to inform the renter immediately of any damage / malfunctioning if occurring during the rental period.
- 5) In case of any incident which would prevent the rental party from travelling, the rental party must cancel the reservation *in writing*. **Cancelation costs:**
  - o from the reservation date up to 90 days before first rental date: 20% of the confirmed rental costs.
  - o from 89 to 60 days before rental period: 40% of the confirmed rental costs,
  - o from 59 to 36 days before rental period: 70% of the confirmed rental costs,

- 6) Should the rental party, for whatever reason, leave sooner as initially booked, or in case of a “no-show” he has no right to claim for damages for the not used rental days.
- 7) The renter will do his utmost to rent the not used rental period to other persons, in order to minimize the damage. Up to the other assignment, the rental party has to perform the originally calculated amount for the initially agreed upon duration. **A “travel resignation” insurance policy is highly recommended.**
- 8) The rental party is held responsible for any caused damages to the rent object, the inventory and the communal facilities, e.g. broken dishes, spots on carpets, damages to the furnishings. Moreover the costs also count for lost keys (e.g. entrance doors, parking lot, or safe). If any damages would occur or any other complaints would arise, these are to be announced to the renter within 24 hours.
- 9) At the arrival date, the rental party can check in earliest as from 3.00 p.m.. The renter cannot assert compensation claims if the accommodation would exceptionally not available at 3.00 p.m .

- 11) Any other agreement (modifications, supplements, etc.) is not valid, unless if explicitly confirmed by the renter to the rental party in writing.
- 12) Should any topic of these Terms and Conditions be or become ineffective, this does not have any effect on the validity of the remaining contract content. Both parties of the contract commit themselves to replace the eventually ineffective regulation by a legal one, which meets the economic purpose and substitutes the logical contents of the invalid ones to the best. All other terms of the contract remain valid.
- 13) Legal venue for all the parties is El Paso / S/C de Tenerife, Spain.  
Spanish right applies.
